Merana Kitione takes on new Role – Acting Training and Development Manager

5th March, 2010 Suva, Fiji Islands – Fiji Television Limited today announced Merana Kitione, the current Manager News, Current Affairs and Sports will take up her new challenging role as the Acting Training and Development Manager.

She is already an accredited training instructor with TPAF. Making the announcement, Group Chief Executive Officer, Tarun Patel said that “*Merana is no stranger to training and development within the Fiji TV Group*”.

Since the inception of the Fiji TV Learning Centre in 2008, Merana has already been involved in training of our people. This training includes customer service, camera and induction for staff.

She will be traveling to our subsidiary company in Papua New Guinea soon where she will conduct trainings for our colleagues in PNG.

Fiji TV also has long established relationships with its Pacific broadcast partners and we have already indicated to them that we shall carry out regional training for the development of their people.

Tarun Patel
Group Chief Executive Officer
