COMMUNICATIONS FIJI LTD **ANNOUNCES INTERIM DIVIDEND**

The Board of Communications Fiji LTD has announced first interim dividend for the year 2009 of 4 cents per share.

Following this announcement, shares will go ex benefit on the 24th of November, 2009. The share register will close December 2nd and the dividend will be paid out December 10th, 2009.

Managing Director, William Parkinson said that as promised previously, the Board made this decision following a review of the third quarter performance. "Our Fiji operations continue to deliver strong results and we are delighted at the way PNG FM has grown in the second half of the year".

At a Brokers Briefing held in September, CFM forecasted an end of year Group profit of \$960,000.00 after tax. "We are still on track to deliver but of course the final quarter is critical, however, so far so good", said Mr. Parkinson.
